Let's Continue Our Discussion!
Hey Narayan, Shreya, and Sanjana,
I've really enjoyed our discussion—it's been super interesting, and I think there's a lot we can build on! Let's plan to meet from 1:00–1:45 PM this Wednesday, as it seems everyone is available at that time. Let me know if this doesn't work for anyone!
Looking forward to it!
Best,
Ashan
